

Welcome to our home

Sandy and Heather live in a quiet neighborhood near to 3 local parks. We enjoy board games, reading books, sports and bike riding.

Welcome to our house

This can be your room if you like.

We have a small back yard with a few fruit trees and a vege garden.

We try to walk or ride our bikes when we can; this is our car when we drive.

Meeting Our Family

This is a photo of Sandy's family at our wedding. Sandy has 3 brothers and a sister, 2 nieces and 2 nephews. Sometimes they come to visit us.

This is Sandy, Heather, Emma, Malcolm, Keith and Enid. Malcolm is Heather's brother, Emma is Malcolm's wife and Keith and Enid are Heather's parents.

These are some of our friends from church, Luke and Naomi, Jen and Jamie. Our friend Iron was staying with us and cooked us lots of sushi.

This is our nephew James feeding one of our hens. We have two hens Betty and Henrietta. They are very friendly and mostly live in a pen, but sometimes are let out for the day.

Our favourite things

We like to do lots of outdoor activities, including hiking.

Our friends often go mountain biking with us. Here we are in purple and our friends Luke, Naomi and Jason are going riding with us.

Sandy enjoys playing any sports, these are some of his favorites, but he will give anything a go.

Heather enjoys cooking and gardening
